CAREER OBJECTIVE

CSE graduate and Frontend Developer proficient in React, Next.js (App Router), and Tailwind CSS. Experienced in building responsive web applications, integrating RESTful APIs with Node.js/MongoDB backends, and implementing role-based authentication (Better Auth, JWT) and interactive user dashboards.

TECHNICAL SKILLS

Frontend: React.js, Next.js (App Router), HTML5, CSS3, Tailwind CSS
Languages: JavaScript (ES6+), C, C++, Python
Backend & Database: Node.js, Express.js, REST APIs, MongoDB, SQL
Auth & Tools: Better Auth, JWT/JWKS, Git, GitHub, Vercel, Vite, MongoDB Atlas
UI & Libraries: HeroUI, DaisyUI, Lucide React, React Toastify, Next/Image, Swiper, next-themes

PROJECTS

1. VitaForge - Fitness & Gym Management Platform

Live | **Client** | **Server**

Tech Stack: Next.js (App Router), React, Tailwind CSS, Better Auth, REST API, MongoDB

- Engineered a full-stack platform featuring Role-Based Access Control (RBAC) for admins, trainers, and users.
- Integrated secure session & OAuth authentication workflows using Better Auth alongside JWT tokens.
- Designed interactive user dashboards displaying dynamic workout schedules, real-time analytics, and data pagination.

2. DocAppoint - Doctor Appointment Booking Platform

Live | **Client** | **Server**

Tech Stack: React.js, Node.js, Express.js, MongoDB, REST APIs, JWT

- Architected a healthcare platform for doctor discovery, real-time time-slot checking, and appointment bookings.
- Secured client-side routes and backend REST endpoints using JWT/JWKS session-based authorization schemes.
- Built patient and doctor management dashboards to track booking histories and status updates in real time.

3. BookHaven - Online Book Borrowing Platform

Live | **GitHub**

Tech Stack: Next.js, React, Tailwind CSS, HeroUI, Better Auth, MongoDB

- Developed a dynamic library platform for users to search, filter, and borrow books across categories.
- Implemented secure user authentication with Email/Password and Google OAuth using Better Auth.
- Built light/dark theme toggles, dynamic carousel sliders (Swiper), and personalized user profiles.

EDUCATION

B.Sc. in Computer Science and Engineering **2020-2025**

Shyamoli Engineering College (A Constituent College of the University of Dhaka) CGPA: 3.53

LANGUAGES

Bengali: Native | **English:** Conversational / Intermediate
